Evolved from the Cataldo family owned Tony's Pizza in (IBM's Birthplace) Endicott, NY opened in 1974, Societa is a space where your daily routine can be paused and you can partake in a time-honored human tradition. To sit together and share time, food and drink while exchanging ideas, building relationships or, dispensing with the formalities, simply having a good time. Like the melting pot that Sicily is, this restaurant is a place brought to life by the diverse public, our community, our society or, as Sicilians say, *Societa*.
